PASS THE TORCH

**COMMITMENT SUNDAY
APRIL 28**

Be in prayer for how the Lord will lead your family to participate in the TO EVERY GENERATION campaign. PRAY "Lord, what's Your will?" and "What's my part in it?"

Written on the heart of every believer should be a desire to leave for the next generation an inheritance of faith.

After all, we have been eyewitnesses to Jesus' work for us... His faithfulness to us... His provision for our church in our generation.

We want the families and friends who follow us to have a church home in Lone Oak for years to come.

The decisions we make in this day will set the course for our church for the next 25-50 years of ministry.

These are some architect's renderings of new spaces for preschool, children, lobbies, and circulation. Dedicated space for preschool and children will double in this arrangement.

Yes, Phase Zero is still underway. It seems "from the street" that we still have a long way to go toward completion. But, so much of this earliest phase is work that's happening underground and behind the scenes. We've been replacing all of the utilities that serve our campus to get us ready for the next phase -- all while continuing to use the building every week.

Phase One will bring us a new Preschool & Children's Building, expanded lobbies, and a redesigned connection with the "D Building." We will have much more space available for fellowship before, between,

and after worship services. Children will have state-of-the-art spaces for worship, Sunday school, and play inside a secure area. Age and stage appropriate space will be dedicated to children with special needs.

We'll also be updating the whole campus with brighter parking lot lighting, a safer traffic plan, easier drop-off and pickup, and better accommodations for those with limited mobility. The baptistry and its changing areas will be completely renovated for the first time after nearly sixty years of steady use.

TO EVERY GENERATION

The Lord has called Lone Oak FBC to EXALT CHRIST, to MAKE DISCIPLES, and to PASS THE TORCH of faith, and this church has been doing that faithfully for generations. That's why we're trying to be ready for the generation that follows us.

Imagine with me what it would be like if there were no Lone Oak FBC in our community today? What if we had just said "no" to rebuilding after the fire in the sixties? Would anyone have missed us?

God has used our church to make a great impact for the kingdom. I believe this new building and common space will allow us to make disciples for generations in the future.
